# Welcome Message

Dear Colleagues,

As Founder and President of the Turkish Transplantation Society (TOND), and the Turkic World Transplantation Society (TDTD), it is my great honor and privilege to invite you to the **Joint International Symposium on Pediatric Kidney and Liver Transplantation** which will be held on **February 10-11, 2022**, at the Kizilcahamam Thermal Resort Hotel in **Ankara, Turkey**.

The Symposium will address challenges and evaluate the short and long-term outcomes of pediatric kidney and liver transplantation in our region including the Middle East and Mid Asia. During the Symposium we aim to stimulate thoughts and discussions around the latest developments and the current practices in the field of pediatric kidney and liver transplantation. The program will embrace keynote lectures by world-renowned professionals from the world, abstract presentations and more.

**Even though we would like to welcome you to Ankara in person, if current situation remains unchanged we would be equally pleased to meet you online and exchange ideas through Zoom technology.**

I look forward to welcoming you all to our capital city, Ankara, for what I believe shall be an outstanding meeting.

Yours sincerely,

A handwritten signature in blue ink, reading "M. Haberal". The signature is fluid and cursive.

**Mehmet Haberal, MD, FACS (Hon), FICS (Hon), FASA (Hon), FIMSA (Hon), Hon FRCS (Glasg)**

## ANKARA, TURKEY

Ankara is the capital city of Turkey and the second largest city in the country after Istanbul. It is located at the heart of both Turkey and Central Anatolia. The city is an important commercial and industrial city, and it also houses the Turkish government, and all foreign embassies.

## LANDMARKS

**Anıtkabir** The mausoleum of Mustafa Kemal Atatürk, the founder of the Republic of Turkey, completed in 1953. A museum nearby displays a large collection of Atatürk memorabilia and paraphernalia

## MUSEUMS

**Ankara Ethnography Museum** a museum of ethnography dedicated to the cultures Turkish civilizations.

**Museum of Anatolian Civilizations** Considered one of the best museums of Turkey, it displays artifacts from Asia Minor/Anatolian civilizations. The oldest artifacts on display date back to the Paleolithic era.

**State Art and Sculpture Museum** Hosts galleries with temporary exhibitions as well as a permanent display of Turkish art from the late 1800s to the present.

**Cer Modern** The recently-opened modern art museum of the city, Cer Modern is housed in the historic power plant building of Turkish Railways.

**War of Independence Museum** This was originally the first building which hosted the Parliament of the Republic of Turkey and from where the War of Independence, fought in 1921-22 was directed, as evidenced by photographs and other items in the display. Waxworks of former Turkish presidents are also on display.

**TCDD Open Air Steam Locomotive Museum** An open-air railroad museum, which traces the history of steam locomotives.

**Çengelhan Rahmi Koç Museum** This museum, housed in an old Ottoman caravanserai, displays technological progress from the 1850s onwards. The museum contains various curios and collectibles including model trains to model sewing machines.

**Ankara Aviation Museum** Various aircrafts, aviation items, and missiles are exhibited, as well as a number of MiGs from the other side of the Iron Curtain.

**METU Science and Technology Museum** Established within the campus of the Middle East Technical University, the museum aims to present the modern technological tools as well as technological past of Turkey.

**MTA Museum of Natural History** This Natural History Museum can be found on the grounds of the MTA (Mineral Research and Exploration Institute of Turkey). The Museum, founded in 1935 under Atatürk's directives, has displays of paleontology, mineralogy, petrography and physical geology.
